FILE NO. RESOLUTION NO.

| 1 | [Opposing Anti-Abortion Banners on Market Street] |
|----|--|
| 2 | |
| 3 | Resolution opposing the anti-abortion banners on market street, urging the dedication |
| 4 | of banner proceeds to the Department of Public Health for a campaign advancing |
| 5 | accurate and scientifically verifiable education about women's reproductive health, and |
| 6 | requesting the review of banner regulations to assess whether the banners were |
| 7 | issued in violation of City law. |
| 8 | |
| 9 | WHEREAS, Banners falsely claiming that "Abortion hurts women" are hanging from the |
| 10 | City's publicly managed lamp posts on Market Street in San Francisco; and |
| 11 | WHEREAS, Abortion is one of the safest medical procedures in the United States and |
| 12 | the risk of death is 12 times higher for carrying a pregnancy to term, compared with abortion, |
| 13 | according to the American Congress of Obstetricians and Gynecologists; and |
| 14 | WHEREAS, Many women routinely lost their lives from illegal abortions before the |
| 15 | landmark Supreme Court Case, Roe v. Wade, legalized abortion in 1973; and |
| 16 | WHEREAS, Today, deaths from abortion have all but disappeared; and |
| 17 | WHEREAS, One in three American women will have an abortion by age 45 and 95% of |
| 18 | heterosexually active couples have used birth control; and |
| 19 | WHEREAS, Denied abortion care perpetuates poverty, and women with incomes |
| 20 | below 200% of the federal poverty level are already five times more likely to have unintended |
| 21 | pregnancies; and |
| 22 | WHEREAS, Access to legal and affordable family planning health care services has |
| 23 | been integral to expanding opportunities for success and satisfaction by women and girls in |
| 24 | the emotional, economic, educational and professional spheres, as well as for the men and |
| 25 | children in their lives and for communities as a whole; and |

| 1 | WHEREAS, Recent campaigns to restrict abortion rights have increased sharply since |
|----|--|
| 2 | 2011, comprising local, state and federal legislation facilitating access to reproductive health |
| 3 | care; and |
| 4 | WHEREAS, We are proud that San Francisco and California have strong policies to |
| 5 | assure women's reproductive health rights, which include ready access to affordable and legal |
| 6 | family planning services, including abortion care; and |
| 7 | WHEREAS, The prominent display of false anti-abortion statements on public property |
| 8 | on Market Street misrepresents the City's support for reproductive health, rights, and justice, |
| 9 | undermines women's personal and private medical decisions, and thereby undermines public |
| 10 | health; and |
| 11 | WHEREAS, San Francisco Mayor Ed Lee co-sponsored a resolution approved by the |
| 12 | U.S. Conference of Mayors in 2012 affirming the importance of women's reproductive rights; |
| 13 | and |
| 14 | WHEREAS, In January 2013, the City and County of San Francisco commemorated |
| 15 | the 40th anniversary of Roe v. Wade and commended the work of pro-choice advocates and |
| 16 | service providers in the City; now therefore be it |
| 17 | RESOLVED, That the Board of Supervisors fully supports the first amendment right to |
| 18 | un-abridged freedom of speech but opposes the anti-abortion messages on the banners |
| 19 | hanging on Market Street and does not support the views of the rally to be held by anti- |
| 20 | abortion groups in San Francisco on January 25, 2014; and be it, |
| 21 | FURTHER RESOLVED, That the Board of Supervisors urges review of the City's |
| 22 | permitting process of the banners as the banners appear to violate City regulations in several |
| 23 | respects, including failure to fit a category of permissible banners, failure to display an |
| 24 | accurate date for a related event, and failure to avoid lamp posts that also display holiday |

snowflakes; and be it,

25

| 1 | FURTHER RESOLVED, That the City devote all proceeds from the anti-abortion |
|----|--|
| 2 | banners to a Department of Public Health campaign to educate vulnerable populations |
| 3 | regarding accurate and scientifically verifiable information about reproductive health and |
| 4 | rights, including accurate information about the safety of abortions. |
